

1 February 2022

### **CALVARY NETBALL REGISTRATION 2022**

Dear Parent / Guardian

Calvary is once again entering netball teams into the competition run by Underwood Park Netball Association (UPNA). 2021 was a very successful year for the College, with teams entered from both campuses and across all age groups. The 2022 UPNA season will begin with a grading afternoon for all **Cadet teams** (11-18 year old players) on **Saturday 5 March**, with a second grading day on **12 March**. The competition season for both Netta and Cadet teams will then begin on **19 March** and finish in late August/early September, depending on finals. Games are played on Saturday afternoons, beginning from 12.00pm.

Registration of players from Calvary Netball Club is open to girls and (up to and including the age of 18 years) and boys (up to 12 years of age). Please note that there is a minimum age for registration – players must be born in 2015 or earlier to be eligible to play in 2022, i.e. turning 7 years or older.

All player registrations will only be available on-line through the specific links to the **Netball Connect** website at the end of this letter. **Registrations will close on 18 March 2022.**

Registration fees for the year are as follows:

- Cadet Team players \$350 Inc. GST
- Netta Team players (Set and Go) \$330 Inc. GST (Boys and girls)
- Additional siblings have a \$30 discount on the above fees.

All registrations include equipment, facilities maintenance, insurance, Underwood Park and Netball Queensland fees, an umpire levy, sports bag (new players only while stocks last), water bottle, Acceleration Sports fitness/agility program (MSS players only Term 2) and a team + individual photo (taken on a date to be confirmed during the season). Players who cancel their registration after team selection may not receive a full refund (\$25 cancellation fee may apply).

Our club netball uniform which includes dress and matching bike pants is **available for purchase in the SHOP on Netball Connect when you register**. Purchased items can then be collected from the Carbrook or by negotiation from the Springwood campus.

**ALL player fees and uniform payments are made on the Netball Connect Website.**

**We recommend using Google Chrome to register.**

Coaches and managers of the Calvary teams largely come from the parent body, so it would be appreciated if you could consider nominating for one of these positions when registering. Teams cannot be guaranteed a start if there is no-one to look after them, so if you have some skills in netball (or you are willing to learn) or can help in the organization of a team, your assistance would be greatly appreciated. These roles contribute towards P&F hours.

Further information about the year ahead for Calvary Netball will be discussed at the 2022 Netball Launch evening that will be held prior to the first trial day (covid-19 restrictions permitting), and the NEW Facebook Calvary Sport page. Please ensure that you join/follow this page if you are on Facebook **CalvaryCCSports**.

For any further queries, or if you experience any difficulties with the registration process, please either email me ( [netball@calvarycc.qld.edu.au](mailto:netball@calvarycc.qld.edu.au) ) or phone the College on 3287 6222.

Yours in sport

Mr. Gavin Clarke  
**Netball Coordinator**
