

## FOOTBALL DEVELOPMENT CLINICS

Dear Parents,

In 2022, our intention at Calvary is to provide opportunities to students to grow and expand their skills in preparation for their football season and school tournaments. Calvary in partnership with **Futbolconcept14 Academy** will be offering football development clinics to those players interested in improving and developing their football technique and skills. The aim of the program is to provide students with the technical ability required to further develop in the game and to show significant improvements in their skills and game performance.

To avoid any clashes with club commitments or other extracurricular activities in the afternoons, training will run on **Thursday during second breaks (1-1.50 pm) at the oval. Sessions will start on Thursday 10 February**. Students are required to wear shin pads, long socks, and soccer boots.

The training will be run by experienced qualified coaches and assisted by Mr. Ocaña. Futbolconcept14 Technical director, Mr. Luca Braico, is the former Pine Hills FC Junior/Youth Head Coach and has also coached at prestigious academies such as the Barcelona Academy, Brisbane Roar FC Academy and Football Queensland. It is an absolute privilege to have Luca coaching at Calvary and his expertise will be very beneficial for all the students involved in the program. If you would like to learn more about the Futbolconcept14 methodology, please click on the following link <https://futbolconcept14.com.au/>

The clinics are delivered in 8-week blocks, and the price for Calvary students is only **\$100** (usually \$160). Places are limited so sign-up asap to avoid disappointment. If your child would like to participate in this amazing program, please email me at [raul.ocana-villegas@calvarycc.qld.edu.au](mailto:raul.ocana-villegas@calvarycc.qld.edu.au).

Yours in sport,

Mr. Raul Ocaña Villegas
